

TERMS OF USE OF OUTSCALE WEBSITES

Data Collected on Our Websites

When you visit our websites, we collect standard logs and visitor behavior patterns to be aware of the number of visitors on the various sections of our websites. We collect this information in a way that does not identify anyone. We do not associate any data retrieved from our websites with any personally identifying information from any source.

If we do want to collect information through our websites, we will inform you beforehand. We will make it clear when we collect personal information and will explain what we intend to do with it.

You should be aware, however, that access to web pages will generally create logs in your internet service provider's or your network service provider's system. These entities may be in a position to identify the computer equipment used to access a web page. Such monitoring would be done by the internet or network service provider and is beyond the responsibility or control of OUTSCALE.

All forms on our websites limit the collection of personal data in accordance with the principle of data minimization and mention the following:

- The objective(s) of the processing
- The recipient(s) of the data
- Your rights and how to exercise them

Our website forms are published by Odoo and Wordpress. For more information, see [Odoo's privacy policy](#) and [Wordpress's privacy policy](#).

The only recipients of the data you fill in in our forms are OUTSCALE and Odoo for forms published by Odoo.

None of your data may be transmitted to other third parties without your agreement.

Security and Confidentiality

The confidentiality of your personal information and your privacy are very important to us. That is why we keep trying to meet the highest standards when collecting and using personal information.

Data collected as part of the services offered on our websites are processed according to secure procedures.

Links to Other Websites

These terms of use do not cover the websites which are linked on our websites.

We encourage you to read the privacy statements of the other websites you visit.
